

CRASSEVIG

- furniture for the company
profile

The history

- Started up in the early sixties and specialised producing furniture in solid bended wood
- Situated between Udine and Trieste in the North East part of Italy
- Approximately 1000 furniture factories in the area

Missionen

- Crassevig har i mere end 30 år arbejdet med design. Over hele verden bliver vores stole og borde bliver beundret, vist i anerkendte bygninger og berømte boliger.

Et Crassevig produkt står for en let formgivning. Det udstråler elegance og kvalitet og er udført i udvalgte materialer med en høj finish og lang levetid
