Swiss

La base che non ti aspetti!

Swiss è l'innovativa base fissa a quattro razze interamente in plastica.

Incredibilmente resistente, versatile, funzionale.

Grazie alla variante alta o bassa, è in grado di dare sostegno a numerose tipologie di sedute, adattandosi così ad ambienti anche molto diversi tra loro.

Può essere scelta in tre diversi colori e completata con piedini o con ruote, per uno stile personalizzabile e di carattere.

Swiss è la base per le nuove soluzioni di sedute.

What you would not expect!

Swiss is the innovative 4-star fixed base entirely in plastic.

Unbelievably resistant, versatile and functional.

Thanks to the high and low versions, it is suitable for several seating typologies, thus adapting to very different environments.

It can be chosen in three different colors and with gliders or castors, for a unique style.

Swiss is the base for new seating solutions.
