A functional  
proposal

ivarsSeating

# Cary

Design minimal per una proposta funzionale.

**Cary** è il nuovo sgabello dallo stile semplice ed essenziale.

Prevede tre soluzioni: interamente in plastica nella versione basic, con sedile da tappezzare per un maggior comfort o con sedile e schienale in poliuretano per garantire massime prestazioni di seduta.

Disponibile anche in versione Start up girevole, adattabile a diversi ambienti di lavoro.

*Minimal design for a functional proposal.*

**Cary** is the new barstool with a simple and essential style.

*It includes three solutions: basic version completely in plastic, upholstery seat for added comfort or polyurethane seat and back to ensure the upmost seating performance.*
