NEW!

A new finish- pigmented lacquer on birch and oak is being introduced. This allows to order all our chair models in any RAL colour. Pigmented lacquer has all the qualities that clear lacquer has- high protection, it sucks into the wood instead of making a paint layer on top. It is durable for contract market and available for all our models.

Any special wood finishes or upholstery options upon request.

\* Orders less than 1000 EUR invoice value apply with additional shipping fee 50 EUR

**Seat upholstery, removable**
